Innovate Salon Academy, hereinafter known as “The Academy” is pleased to announce up to \$50,000 Academy scholarships may be awarded Annually (2022) to students in the Cosmetology, Barbering, Esthetics, and Educator Training programs.

ELIGIBILITY

- Each applicant may receive only a Scholarship award during the course / program of study.
- All scholarships awarded must be applied to tuition costs.
- Applicants must have a high school diploma, GED or state authorized high school equivalent certificate.
- Applicants must be enrolled in classes beginning in 2022. Failure to start classes voids scholarship.
- Applicants must complete the required scholarship essay and submit a letter of recommendation as outlined below prior to class start date.

SCHOLARSHIP DETAILS

- This scholarship must be applied to the student’s tuition costs only.
- This scholarship is non-transferrable.
- Incomplete applications will not be considered.
- All applications must be submitted to The Academy Admissions Office.
- I understand this scholarship will be applied upon meeting SAP requirements at the 900-hour checkpoint for the Cosmetology program and at the halfway checkpoint of the Esthetics program.
- I understand if I fail to meet SAP requirements at 900-hours, this Scholarship is null and void.
- There is no cash allocation for this scholarship. In the event of withdrawal or termination from the program after the scholarship has been applied to the student’s ledger, only the earned portion of the scholarship will be applied to The Academy Refund Worksheet calculation as “paid towards tuition costs”.
 - “Earned portion / percentage” of the Scholarship is calculated by taking the student’s actual completed hours of attendance divided by full contracted hours in course = earned percentage (%) of completion as of the time of withdrawal.
 - \$ Amount of Scholarship applied to ledger times earned portion /percentage of completion = the amount of the scholarship applied on Academy Refund Worksheet as credited toward “paid tuition”.
 - Following the calculation to determine the “earned portion / percentage” of the Scholarship, an adjustment to the ledger balance, if applicable, will be posted to reflect the change due to the “unearned portion / percentage” of the Scholarship balance that was previously applied.

SCHOLARSHIP ESSAY

- Please submit a typed essay answering the following question; **“Describe a time in your life where you went over and above to achieve great results?”**
- Essays will be rated based on the following criteria:
